

Mystery History of the Cave

A Poole

Water trickles down the walls
This underground cave has many halls
Stalagmites and stalactites abound
Their majesty is all around.
The cave is dark, damp and cold,
I begin to wonder just how old..?
How long has this cave been here
What kind of history does it hold dear?

Was it home to ancient man?
I wonder when it's story began?
Was it once full of human life?
A family, a man and his wife?
Has this cave seen many a story?
Lives well lived and tales of glory?
This cave keeps it's mysterious secrets it's true
But if you look hard you'll find a clue or two...
Now it is home to bats and bugs
With different kinds of family hugs.
It's still a magical place to see...
...to contemplate our history.
Take a tour and you will find
This exquisite cave will blow your mind!
