**To:** Tiffany Broberg, Chair, Arizona Outdoor Recreation Coordinating Commission  
**From:** Bob Broscheid, Executive Director, Arizona State Parks and Trails

**Subject:** 2024 Heritage Fund Local, Regional and State Park Grant Applications

**Background:**

The Heritage Fund Local, Regional and State Park (LRSP) funding provides matching grants for the development of public outdoor recreation facilities. A total of \$3,000,000 was appropriated for the LRSP program during the 2023 Arizona State Legislative session. All LRSP grants require a 50/50 match.

A project sponsor may apply to up to 20% of these appropriated funds or \$500,000.00

**Recommendation:**

Arizona State Parks and Trails Grant Staff reviewed the following LRSP application(s) and made recommendations based on the 2023 State Comprehensive Outdoor Recreation Plan and funding available.

<b>2024 Heritage Local, Regional, and State Park (LRSP) Grant Application(s)</b>

<b>TOTAL</b>		<b>\$255,770.00</b>	<b>\$255,770.00</b>

**Background:**

The Land and Water Conservation Fund (LWCF) provides matching grants for acquisition and development of public outdoor recreation facilities. All LWCF funding requires a minimum 50/50 match. Once LWCF funding has been used, a project area must remain open to outdoor recreation creating a legacy of outdoor recreation opportunities for generations to come.

**Recommendation:**

Arizona State Parks and Trails Grant Staff reviewed the following Land and Water Conservation Fund application(s) and made recommendations based on the 2023 State Comprehensive Outdoor Recreation Plan and funding available.

**Background:**

The Outdoor Recreation Legacy Partnership Program (ORLP) is a nationally competitive program targeting grant assistance to help economically disadvantaged urban areas with no, or almost no access to publicly available, close by, outdoor recreation. Projects are submitted through the states to the Director of the National Park Service who selects projects based on the federal scoring criteria. These grants require a minimum 1 to 1 match, must have a population of at least 30,000 and a poverty rate within the affected community of 20%. A project may apply for up to \$15,000,000 per project.

**Recommendation:**

Arizona State Parks and Trails Grant Staff reviewed the following Outdoor Recreation Legacy Partnership Program (ORLP) application(s) and made recommendations based on federal approved scoring criteria.

**Subject:** Law Enforcement Motorized Grant Scoring Criteria

**Background:**

In 2017 the Grants and Trails Team developed 4 Supplemental Motorized Grant opportunities to help distribute funds. Since then, there has been an influx of Law Enforcement Supplemental Grant requests. As a result, the agency is seeking approval for the proposed Law Enforcement Motorized Grant Scoring Criteria from the State Parks Board. At their January meeting, the Off-Highway Vehicle Advisory recommended the Law Enforcement Motorized Grant Scoring Criteria as presented by staff. In February, the Arizona Outdoor Recreation Coordinating Commission recommended that staff amend the proposed Motorized Law Enforcement scoring criteria to include additional points for local law enforcement agencies. The table provided below highlights the requested edits proposed by staff.

**Recommendation:**

Arizona State Parks and Trails staff have evaluated a variety of previously approved Law Enforcement Grants and have proposed the below scoring criteria be used to review future Law Enforcement Motorized Grant Applications.
