**Subject:** 04-00782, Yuma County and 04-00769, Camp Verde LWCF Amendment(s)

**Background:**

In fiscal year 2022, the Arizona State Parks Board awarded Yuma County \$584,433.00 to upgrade the county's Foothills Park. The award to Yuma County was delayed several months with the National Park Service due to their backlog of projects. Several items not included in the original grant coupled with the delays, caused a significant increase in construction costs for this project once bids were finalized. Yuma County is requesting a \$384,205.00 increase in their LWCF budget in addition to several additional scope items to their project. The funding increase will be matched with County funds. Camp Verde was also awarded \$2,500,000.00 for construction of ballfields, parking areas, restroom/concession buildings and related infrastructure. With delays in getting project approved, supply chain issues, inflation, and staff changes, Camp Verde is requesting an additional \$457,500.00 which will be matched with town funds to complete project as submitted.

**Recommendation:**

Arizona State Parks and Trails Grant Staff reviewed the request for amendment to project 04-00769 and 04-00782 and have made recommendations based on project need and funding availability.
