FOOL HOLLOW LAKE

RECREATION AREA

08/23

Year-round camping, fishing, picnicking, boating, and wildlife viewing make **Fool Hollow Lake Recreation Area** a popular place. This cool country recreation area has a 150-acre lake surrounded by towering pine trees and offers 75 hookup sites and 29 non-hookup tent camping sites.

The park was named when Thomas Jefferson Adair moved into the area in 1879 to start a farm. The locals joked that only a fool would try to farm the land, and the name stuck!

Arizona State Parks & Trails would like to thank its partners who worked to develop this recreation area – the **US Forest Service, Arizona Game & Fish, the City of Show Low,** and corporate sponsors **Arizona Public Service** and **McCarty Construction Company.**

Thank you for visiting!
