

**Land and Water Conservation Fund  
Awarded Projects**

**04-00794 Project Sponsor: Winslow**

**Project: City Parks Improvement Project**

**Awarded Amount: \$293,792.00 Match: \$305,783.000 Total: \$599,575.00**

Funds will be used renovate and improve three public parks in Winslow to increase safety and access, with a focus on serving low-income neighborhoods and residents. Improvements will be made at Triangle Park, Henderson Park and Coopertown Park. Funding will be used for additional shade structures, playground upgrades and lighting to make these safer and more inviting to the neighborhood.

**04-00793 Project Sponsor: Oro Valley**

**Project: Naranja Park Skate Park/Pump Track**

**Awarded Amount: \$1,000,000.00 Match: \$2,000,000.00**

The funding request is for a skate park and pump track that were identified through public collaboration and staff recommendation as the park design was developed. This amenity does not currently exist within the Town of Oro Valley. The closest skate park (Continental Ranch Community Park) is over eight (8) miles outside of the town limits and all routes available to take to the location require motorized vehicle use and more than 15 minutes in drive-time. There is no way to walk, bike, or skate to the nearest skate park. Funds will also be used for a parking area and restroom.

**04-00792 Project Sponsor: Yuma**  
**Project: East Mesa Park Development**  
**Awarded Amount: \$1,000,000.00 Match: \$1,000,000.00 Total: \$2,000,000**

Yuma conducted a parks master plan in 2016 and the plan identified a new regional park on 40 acres that the city purchased. New park master plan with parking to include ADA fishing piers, hockey rink, playgrounds, ramadas, picnic facilities, splash pad, turf areas, basketball, tennis and pickleball courts, a lake, ninja warrior style course, fitness stations, dog park related infrastructure and maintenance facility. The first phase will include infrastructure for the park, a new playground and a splashpad with future phases that will further develop the park.

**04-00791 Project Sponsor: Arizona State Parks**  
**Project: 2023-2027 Arizona State Parks Trails Plan**  
**Awarded Amount: \$150,000.00 Match: \$150,000.00 Total: \$300,000.00**

Every 5 years, Arizona State Parks and Trails is required by statute to complete a non-motorized and motorized trails plan. This plan provides priority issues from the perspective of users of Arizona trails, stakeholders and land managers. This information is used to provide land managing agencies, elected decision-makers, stakeholders and citizens with valuable information about participation rates for both motorized and non-motorized trail related activities, trail management priorities and also informs the distribution of trail-related grants and other resources. This plan will also provide needed information that will be used to develop Arizona’s next Statewide Comprehensive Outdoor Recreation Plan.

**04-00790 Project Sponsor: Lake Havasu City**

**Project: City Park Development**

**Awarded Amount: \$1,000,000.00 Match: \$1,000,000.00 Total: \$2,000,000.00**

Lake Havasu City proposes to develop a 1.5-acre parcel of land of open space to a city park. The City would like to develop this parcel as a public outdoor recreation facility, community gathering space and event space. The project will include ADA accessibility by including a drop off area that could be used by wheelchairs and strollers and an ADA accessible restroom. Picnic tables, shade structures, pathways and benches will be installed as part of this project as well as bicycle racks.

**04-00789 Project Sponsor: Tucson**

**Project: Joaquin Murrieta Park Improvement**

**Awarded Amount: \$958,419.00 Match: \$958,419.00 Total: \$1,916,841.00**

Joaquin Murrieta Park is over 50 years old with most amenities past their useful life expectancy. Thanks to the 2018 voter-approved proposition, Tucson will be improving Joaquin Murrieta Park and bringing elements up to today's standards. The phase 1 construction scope has been narrowed down to building a traditional clover leaf baseball/softball complex, a new restroom/concession building; one new playground with shade; new ramadas, new walking paths; lighting and a splash pad. This grant is specifically focused on funding for the splash pad to double the size of the play area. Since a pool cannot be built, the splash pad provides an opportunity for the community to enjoy a water feature in the park.

**04-00788 Project Sponsor: St. John**

**Project: City Park and Pool Renovation Project**

**Awarded Amount: \$108,081.00 Match: \$108,081.00 Total: \$216,162.00**

Renovation of the St. Johns City Park will include resurfacing four ball courts, and repurposing two of them to Pickleball Courts. It will also include renovation to the pool recreation center on the same property. This renovation will include a complete renovation of the offices, and the bathrooms to make them ADA compliant, and updates to the energy efficiencies through replacement and repair of solar covers, and heating system.

**10% 20% 30% 40% 50% 60% 70% 80% 90% 100%**

**04-00787 Project Sponsor: Show Low**

**Project: Pickleball Courts Phase II**

**Awarded Amount: \$322,050.00 Match: \$322,050.00 Total: \$644,100.00**

Funding is requested to expand its existing city Campus Park which currently has 4 pickleball courts. The use at these have been overwhelming and the proposal is to expand this to another 4 courts. In addition, funding will be used for a sidewalk, two ramadas, irrigation and landscaping. This will be matched with a Local, Regional and State Park Heritage Funding.

**10% 20% 30% 40% 50% 60% 70% 80% 90% 100%**

**04-00786 Project Sponsor: Kingman**

**Project: Lewis Kingman Park Improvement Project**

**Awarded Amount: \$450,400.00 Match: \$457,600.00 Total: \$908,000.00**

The City of Kingman intends to complete is a renovation and development project to its Lewis Kingman Park, a 9-acre park which is located on Route 66 in Kingman. This park was originally a rest area in the early 1940-1950 which has transitioned to a park and is need of an upgrade. The proposed project will construct a new ADA compliant restroom to replace and remove an existing outdated restroom. The project will also install security lighting throughout the park, add electric services to the park, as well as to the open area for events and upgrade all three existing Ramada's in the park.

**04-00785 Project Sponsor: Fountain Hills**

**Project: Four Peaks Park Restroom Project**

**Awarded Amount: \$250,000.00 Match: \$250,000.00 Total: \$500,000.00**

Four Peaks Park is set in a modest neighborhood that has seen substantial growth in recent years. The growth of the area spurred a park-wide reinvigoration effort that has spanned over four years. As a result, additional infrastructure is needed, specifically picnic ramadas, increased natural shade, and additional restrooms. The proposed funding will be for a new restroom which would be located adjacent to the new playground allowing for better access for park patrons. Funding would also be used for a storage building for supplies and equipment needed to maintain the park.

**04-00784 Project Sponsor Benson  
Project: Lion's Park Improvements**

**Awarded Amount: \$750,000.00 Match: \$750,000.00 Total: \$1,500,000.00**

This project enhances outdoor recreational opportunities at Lions Park with the addition of pickleball courts, the replacement of the heavily utilized large ramada with electrical upgrades and the construction of the first phase of a softball/baseball field complex including two lighted fields, a restroom with concessions and parking.

The project will supplement the variety and safety of available activities and amenities with the intent of increasing community engagement at the park, promoting healthy lifestyles and exercise, as well as alleviating overcrowding issues at existing softball/baseball fields.

Project: Selna-Mongini Park Improvements**

**Awarded Amount: \$1,000,000.00 Match: \$1,000,000.00 Total: \$2,000,000.00**

Selna Mongini Park is located in lower Clarkdale. The Town reached out to its residents for input on use of this public recreational area. Funding will be used for basketball and pickleball courts, ramadas, walking paths, picnic areas, ADA restroom and an amphitheater. A zip line is also part of this project and this park will have both active and passive recreation. A site plan based on the principles of fostering a healthy community and environment, youth engagement, community beautification and sustainability.

**04-00782 Project Sponsor: Yuma County**

**Project: Foothills Park**

**Awarded Amount: \$584,433.00 Match: \$584,433.00 Total: \$1,168,866.00**

**Amendment Award: \$384,205.00 Match: \$384,205.00 Total: \$768,410.00**

Yuma County plans to develop land next to the Foothills Library into a family-friendly park. This project will be completed in phases. Yuma County plans to complete phase 1 and phase 2 with this grant application. The first phase consists of putting in an irrigation system, a new grass area, a concrete/gravel walking path, one Ramada and picnic tables, a grill and a few trash receptacles. The second phase includes the construction of a new asphalt parking lot. The new park will provide recreation opportunities not currently available in their neighborhood.

**Project: Veteran's Memorial Park Sports Complex Irrigation Replacement Project**

**Awarded Amount: \$1,500,000.00 Match: \$1,500,000.00 Total: \$3,000,000.00**

This project is to provide improvements at the existing well site a Veteran's Memorial Park. This includes electrical upgrades, a 150,000-gallon storage tank, new onsite piping, fencing, and a booster station housed in a metal building. Additionally, this project will include irrigation replacement at Veteran's Memorial Park Sports Center (VMP-SC). Artificial turf will be installed on the Football field at VMP-SC. The total project is estimated to cost \$3,000,000.00. This scope expansion includes a new sand base grading, drainage infrastructure, and fencing plan for the softball field within VMP-SC.

**04-00779 Project Sponsor: Quartzsite**

**Project: Splashpad/Park Improvements**

**Awarded Amount: \$485,654.00 Match: \$485,654.00 Total: \$971,308.00**

This project will renovate existing playground and basketball areas and construct a new outdoor splash pad recreation facility. The Town of Quartzsite's Town Park Improvement Project proposes to upgrade and make significant improvements at this 80-acre Town Park. Starting with a new 2,500 square foot recirculating splash pad and restroom, the improvement project will enhance existing park facilities with perimeter fencing, rubberized mulch, tables, bench seating, and shade structures. Safety and security of two parking areas will be improved

by the installation of new LED parking lot lighting and an RV host site. The proposed project will offer additional recreational options to the public and will improve public safety and security.

**04-00778 Project Sponsor: Red Rock State Park  
Project: Water Tower and Maintenance Building**

**Awarded Amount - \$343,500.00 Match: \$343,500.00 Total: \$687,000.00**

Funding will be used to replace the existing water tower and maintenance building at Red Rock State Park. Existing water tank is leaking and must be replaced to continue providing clean water to staff and visitors. An upgrade of the entire water supply is required to bring system into code. Existing maintenance building is in very poor shape and leaking. Portions of the roof have begun to collapse, and pose a safety risk to park staff. A new building is needed for storage and work space to continue maintaining the park. The final phase will include completing and amphitheater and ADA pathway to this theater.

**04-00776 Project Sponsor: Apache Junction**

**Project: Superstition Shadows Renovations and Updates**

**Awarded Amount: \$521,161.00 Match: \$521,161.00 Total: \$1,042,322.00**

The City of Apache Junction seeks funding through the LWCF to make repairs and improvements to Superstition Shadows Park. The courts now being used for tennis and pickleball, are in need of renovation to include resurfacing and fence repair. Additionally, the south parking lot needs to be re-sealed and some ADA walkway improvements are required. The City would also add circuit training fitness equipment to the playground and install new restroom facilities at the skate park. Lighting in the park should be updated with more efficient LED technologies.

**04-00774 Project Sponsor: City of Buckeye**

**Project: Sundance Park Phase II**

**Awarded Amount - \$3,000,000.00 Match: \$3,000,000.00 Total: \$6,000,000.00**

The City of Buckeye is requesting a LWCF grant to construct a portion of Sundance Park Phase II. The grant and City match will construct lighted multi-use fields, ramadas, maintenance yard, landscaping, hardscape, and site furniture. Phase II of the park is located on 38-acres west of the existing 30-acre park, which opened to the public in 2012. Separate from this grant, and as part of the initial development of Phase II, the City will be installing a 3.2-acre community fishing lake, splash pad, playground, basketball courts, and other amenities.

**10% 20% 30% 40% 50% 60% 70% 80% 90% 100%**

**04-00773 Project Sponsor: Avondale  
Project: Donnie Hale Park Renovation**

**Awarded Amount - \$577,216.00 Match: \$577,216.00 Total: \$1,154,432.00**

Donnie Hale Park is a 5.3-acre neighborhood park in the Cashion District of Avondale. With a central location, mature trees, and surrounded by a family-friendly neighborhood, the park is a natural gathering place for Cashion District residents. LWCF funds allowed the city to complete renovations as one project instead of phasing the improvements. These improvements included ballfield renovations, fencing, shade canopies for players and spectators; basketball court surfaces and equipment; a playground and surfacing; three picnic ramadas and picnic tables, concrete walkways and plaza, site amenities, electrical services, area lighting, and sport court lighting. Renovations also addressed safety concerns and improve ADA compliance.

**04-00767 Project Sponsor: Dead Horse Ranch State Park  
Project: Amphitheater Construction**

**Awarded Amount - \$150,000.00 Match: \$150,000.00 Total: \$300,000.00**

Funds are being requested to construct a new ADA amphitheater at Dead Horse Ranch State Park, located in Cottonwood, Arizona. Newly constructed amphitheater will provide additional space for educational talks with visitors, and for educating bird watch groups prior to heading into the field. The site will also be used to host various forms of public gathering. The location selected is near the Verde River and is an excellent bird watching area.

**10% 20% 30% 40% 50% 60% 70% 80% 90% 100%**

**04-00772 Project Sponsor: Payson  
Project: Splash Pad at Green Valley Park**

**Awarded Amount - \$207,500.00 Match: \$207,500.00 Total: \$415,000.00**

**Amended Award: \$41,500.00 Match: \$41,500.00 Total: \$83,000.00**

Funds will be used by the Town of Payson to develop a 2,000 sq.-ft. splash pad with a 1,300 sq.-ft. splash zone and 12 water features, plus designs for additional ancillary features like structures, tables, parking, and applicable site engineering. The project will be located at Payson's Green Valley Park and will increase recreational opportunities at this heavily used park.

**04-00771 Project Sponsor: Parker**

**Project: Western Park Playground Upgrade**

**Awarded Amount - \$28,000.00    Match: \$28,000.00    Total: \$56,000.00**

LWCF funds were used to purchase and install new playground equipment in Western Park, which is the most used public playground in La Paz County. The current playground's infrastructure is decades old, has holes in various places, loose joints, missing screws, and has been rated by Burke Playground inspectors as on the verge of unusable for safety reasons. As a playground that sees nearly 40 unique visitors each day on average, it is important to keep the playground in operations for public use, recreation, physical activity and social purposes. LWCF funds will be used to purchase and install new playground equipment.
