Photography/Filming Permit Application

What requires a commercial photography permit?

A commercial photography/filming permit application must be approved by Arizona State Parks and Trails to reserve at any time any location within the parks to take professional photographs related to each of the following:

- Advertising and art;
- Fashion and glamour photography;
- Editorial photography;
- Photojournalism; or
- Any other photography session in which the final images may be used in the stream of commerce.

Certificate of Insurance (COI):

All commercial photography/filming permits are required to submit a "Certificate of Insurance" in the amount of \$1 million of general liability coverage naming Arizona State Parks and Trails as an additional named insured. Arizona State Parks and Trails must be listed as the Certificate Holder with the address listed as 1110 W. Washington St., Suite 100, Phoenix, Arizona, 85007. The permit applicant must provide the COI. A commercial photography permit will not be issued if the required COI is not submitted.

Submission:

Submit the completed photography/filming permit application to the Arizona State Parks and Trails office for review and approval. Applications can be submitted by email to pio@azstateparks.gov or by mail or in person at 1110 W. Washington Street, Suite 100, Phoenix, Arizona 85007. Submittal of a photography/film permit application does not automatically grant you a permit.

- Through an agreement with the Arizona Film Commission, permit fees for all commercial filming are waived at Arizona State Parks and Trails. Entrance fees and special use fees may still be assessed.

Public access cannot be restricted or impeded at any time without prior approval from the park manager.

Termination:

- Arizona State Parks and Trails, in its sole discretion, may grant, deny, revoke or suspend any permit, at any time and for any reason. Cancellation of a permit for cause will result in forfeiture of all fees. "For cause" is if the terms of the application or any license or other code or ordinance is violated or if the event organizer makes any misrepresentation or when public safety is threatened. Cancellation may also occur if payment has not been received by the established due date and event organizer has not contacted the park requesting an extension of their due date.
- The permit is subject to all local state laws and county ordinances in addition to all rules and regulations governing parks and can be terminated at any time at the sole discretion of local law enforcement authorities when public safety is threatened.
