Inclement Weather

The Park assumes no liability for inclement weather that affects the event or for any occurrence which is outside the Park's control that may impact the event. You are responsible for any additional rentals required to accommodate the needs of the event.

If the reservation is for a wedding then the Event Representative must be someone other than the bride or groom. It will be the responsibility of the Event Representative to be available to answer questions and assist Park staff in ensuring that all participants are aware of the park rules and regulations and they must check out with a Park staff member at the end of the event before leaving the facility. If the Event Representative becomes intoxicated at any point during the event, the Park Manager may terminate the event as a breach of contract. In certain circumstance the Park Manager may approve deliveries as early as 7 am as long as adequate notice is provided by the

representative of the event. Park staff will not sign for personal or rented supplies or equipment. Failure to discuss electrical requirements with park staff ahead of time may result in insufficient power to meet the needs of your event.

All decorations must be free standing and moveable. No decorations may be anchored into the ground (i.e. archways, signs, etc ...) other than tents mentioned in one of the previous sections at Twin Cypress Picnic Area.

All guests must stay on designated trails and roadways to protect the native flora of the desert. Trimming, cutting, or altering of

any plants or trees is not permitted. For the safety of the wildlife and plants near the park, the park does not allow wedding groups to throw rice, birdseed, confetti, flower petals, or any small size, loose materials that are very difficult to clean up entirely.
