# Wedding Common Questions:

• I submitted an inquiry/reservation form, but it's been a few days and I have not heard anything. Should I call to follow up?

Your inquiries/reservation forms get sent to our email and are in a cue. This means your inquiries/reservation forms will be responded to in the order they are received. The rangers at the ranger station have numerous duties to complete throughout the day, but will get to your requests as soon as possible. The easiest and quickest way to get in touch with us is by email at <a href="https://www.lostdutchmaninfo@azstateparks.gov">lostdutchmaninfo@azstateparks.gov</a>. If it has been longer than 2 weeks without receiving a response, please feel free to give the ranger station a call to follow up.

• How do I book my wedding?

If you have completely reviewed all of the information presented on our wedding page and have verified availability for your date (by submitting a wedding inquiry), then you can book by completely filling out a wedding reservation form and emailing it to lostdutchmaninfo@azstateparks.gov.

• What can I have at the park for my wedding?

You can rent a space for a rehearsal, wedding, reception, or any combination of the three. Receptions are low key events only.

- What is included in my rental?
  - Day use area: Includes the ramada, fire pit, and the open gravel area around the fire pit only. Parking is not guaranteed.
  - Group camp area: designated group camp and parking area.
    - Roadrunner limited to 12 vehicles (can purchase additional parking if available at the front and middle of quail).
    - Quail rents the back of Quail (can purchase middle and front for additional parking if needed).
  - Cost of entry fee per vehicle is included in your wedding package pricing.
- Can I play music, have a DJ, instrumental music?

No DJ's or amplified music are permitted at your wedding. You may use a personal Bluetooth speaker only. It must be able to fit in your hand. Instrumental musicians (violinist, harpist, etc.) may be approved ONLY with insurance on file.

• What are your policies on alcohol consumption?

Alcohol is permitted ONLY with the purchase of a reception in addition to the wedding ceremony, even if it is only for a short toast after the ceremony. Maximum limit of 2 beverages per adult of age.

No glass containers/cups/glasses. Glass champagne bottles MUST be stored in a separate area and poured into plastic cups for usage.

• Does my final guest count include vendors (photographer, videographer, etc.)?

Yes. Please make sure to include all vendors in your final attendance that you book for.

• Can I have food delivered to the front of the park so my food vendors do not need to provide COIs/food handler's cards?

No. You may pick up food from a vendor and bring it into the park yourself, but in order for food vendors to bring food to the park they must meet you at your reserved area and provide all required COIs/food handler's card documents no later than a month prior to your wedding date.

• Who is my wedding coordinator?

Lost Dutchman State Park does not provide you with a wedding coordinator. The staff at Lost Dutchman are rangers who are able to assist with questions and booking, but do not plan your event for you/coordinate with other vendors, nor do we recommend/promote vendors.

• Can I have candles as decorations? What about glass?

Candles are permitted in plastic containers only. No glass decorations are permitted, no glass containers are permitted. The only exception is in champagne/wine bottles in a separate area only, to be poured into plastic serving cups.

• What happens if my wedding runs later than expected?

Gates are locked promptly at 8pm in both day use and group camp areas. We recommend visitors to begin cleaning up around 7pm to allow enough time to exit the area. Visitors' vehicles will be locked in/towed at owner's expense if left in any of the wedding areas past 8pm.

• We have more guests attending than originally anticipated. Can I switch my reservation accordingly?

No. Please make sure you know your expected guest count prior to filling out your reservation form, as the wedding reservation form acts as a contract and binds you to your original selections. If you are unsure of your guest count, please anticipate and pay for the higher number bracket as you will not be able to pay an additional charge to modify the reservation later. No refunds are given if you end up having less guests than originally paid for.

• We paid for a wedding only, can we do a short champagne toast afterwards?

No. When booking and paying for a wedding only, you are only permitted to use the area for the ceremony and photos only. If you would like to have any additional usage of the area (eating, champagne toast, speeches, etc.) you must book and pay to include a reception as well. Failure to do this can result in your event being canceled and your party being asked to leave the premises immediately.

• Can I make changes to my wedding reservation once I've already paid to secure the booking (i.e. Different guest count, different area, type of event, etc.)

No. Once your wedding reservation form is submitted and paid for, no changes will be made to it. Your signed wedding reservation form acts as a contract between you and Lost Dutchman State Park and cannot be edited once submitted. Please make sure you have all details of your wedding sorted out before submitting your wedding reservation form and paying to secure your booking.

• Who do I contact for availability?

For availability, please submit a wedding inquiry form choosing specific dates and areas you are interested in reserving.

• Who counts as a vendor?

A vendor is any person or company you hire to conduct business within the park for your wedding. This includes, but is not limited to, florists, photographers/videographers, caterers, furniture rentals in which the company sets up for you, etc.

• Do you close the parking lot in our area for our wedding date?

If you book your wedding for one of the day use areas (Cholla, Saguaro, Palo Verde), the parking lot remains open to the public. A "RESERVED" sign is placed at the ramada for your event, however, we do not reserve parking spots. At Roadrunner and Quail group camp areas, you have private parking that is not open to the public.

Download the what3words app on your smartphone. This is how you will find wedding locations one 10x10 square at a time. When you arrive at the wedding spot, please take note of the open space and imagine your event. Saguaro has special rules if you intend to go through the fence into the Tonto National Forest to have your ceremony.
