- Motorized Trail
- Road
- Stream
- Wash
- Gate
- Trailhead
- State Park
- National Forest
- State Trust
- National Park Service

The entire Lime Kiln Historic Wagon Trail is frequently marked by rock baskets although it is not always named on junction signs. The trail crosses State Park and National Forest land, including an ASPT easement across State Trust Land. The trail is maintained by a cooperation between Arizona State Parks & Trails, the US Forest Service, and the Dead Horse Ranch Trails Coalition.
