

Self-guided wedding tour

Download the what3words app on your smartphone. This is how you will find wedding locations one 10x10 square at a time. When you arrive at the wedding spot, please take note of the open space and imagine your event. Cholla and Saguaro have special rules if you intend to go through the fence into the Tonto National Forest to have your ceremony. <https://azstateparks.com/what3words> You must click navigate after you input your three words.
