**Date:** February 8th, 2022  
**To:** Tiffany Broberg, Chair, Arizona Outdoor Recreation Coordinating Commission  
**From:** Bob Broscheid, Executive Director, Arizona State Parks and Trails  
**Subject:** 2022 American Rescue Plan Act (ARPA) Applications

**Background:**

The American Rescue Plan Act (ARPA) funding provides funding to assist facilities that were impacted during COVID. Statistically, the use of outdoor recreation nationwide increased over 20% during the peak of COVID. Outdoor facilities including local parks and trails provided safe socially distanced spaces for families and children to go during this pandemic. They also provided essential benefits to mental and physical health which is specifically defined in the Rescue Act guidelines. The focus of these funds at these facilities is for sewer/water upgrades, broadband and at facilities within neighborhoods in areas that have been identified as underserved communities. These funds are available loosely in the same categories as the appropriated Heritage Funds. A total of \$5,000,000 was made available for this program. These grants require no match and must be completed within two years of the funds being awarded. AORCC requested one project be tabled at their last meeting requesting more information at a future meeting.

**Recommendation:**

Arizona State Parks and Trails Grant Staff and the Governor’s office reviewed this LRSP ARPA applications and made recommendations based on ARPA eligibility.
