**Maintenance and Rehabilitation** – maintaining, repairing damage to, or upgrading the quality of a trail to improve the trail experience, increase user safety, and/or enhance protection of the environment, including wildlife.

**Construction and Design** – planning and building a trail, portions of a trail (e.g., a bridge), or trail-related facilities (e.g., a trailhead, shelter, etc.).

**Public-Private Partnerships and Access to/Use of Public Lands** – facilitating and/or encouraging cost-effective partnerships between public and private entities, especially to increase access to and use of federal, state and local public lands, including parks, forests and wildlife refuges.

**Community Linkage** – providing and/or enhancing opportunities for trail-based recreation and transportation within or near local communities.

**Education and Communication** – utilizing a variety of established and/or technologically innovative communications tools (e.g., web sites, social media and peer-to-peer information sharing) to increase environmental awareness, promote trail-related safety, encourage trail-related outdoor recreation and, overall, enhance trail use and enjoyment.

**Multiple-Use Management and Corridor Sharing** – facilitating and/or encouraging the use of a trail corridor by more than one type of trail enthusiast, particularly those enthusiasts that do not ordinarily share trails or trail-related facilities.

**Accessibility Enhancement** – facilitating and/or encouraging increased access to trail-related recreation opportunities for people with disabilities.

**Youth Conservation/Service Corps and Community Outreach** – making effective use of the services and skills of qualified youth conservation or service corps and other community organizations as project partners and supporters.

**Engaging Public-Sector Partners** – engaging and garnering the support of public-sector officials including local, state and federal elected officials or agency personnel for RTP-funded projects or the overall continuation/advancement of the RTP.

**Enhancement of Federal Lands** – planning and building a trail or maintaining and rehabilitating a trail on federally managed lands to enhance the public use and enjoyment of those lands.
