Cultural Clearance

Instructions

1) To assist in answering questions concerning potential impacts on resources in the project area please follow the below link to the Arizona Game and Fish Environmental Review Tool. Instructions on how to submit a project through the Arizona Game and Fish Environmental Review Tool are attached below. Please complete and submit your project through the Arizona Game and Fish Environmental Review Tool. Shortly after submitting your project, a completed report will be emailed to you. This report contains information that will assist in the completion of your application. This report also contain a series of maps that are required for subsequent sections of the application. Please complete this report before completing this section of the application.

2) The State Historic Preservation Office (SHPO) will review each project to determine the effect, if any, a proposed project may have on significant archaeological and/or historical cultural resources. Significant cultural resources are those that are eligible for listing on the Arizona or National Registers of Historic Places. Each grant application recommended for funding will be reviewed as part of this process. To assist in this review, the applicant is required to submit the following information with each application for funding assistance.

[AZ Game and Fish Environmental Review Tool](#)

For additional instructions, please refer to the [LWCF Grants Manual](#)

Section I. Attachments

If these documents are missing, your project cannot be reviewed, and your application and funding will be delayed.

1. A copy of the cultural resources survey report(s) if a survey of the property has been conducted must be uploaded.

ArizonaStateMap.pdf

2. A copy of any comments regarding eligibility, findings of effect, and any conditions associated with findings made by the land managing agency/landowner and archaeologist (i.e. state, federal, county, municipal) on potential impacts of the project on archaeological and/or historical cultural resources.

ArizonaStateMap.pdf

3. A copy of State Historic Preservation Office (SHPO) comments, if the survey report has already been reviewed by SHPO.

ArizonaStateMap.pdf

4. If applicable to the project, attach a current agency Decision Memo.

ArizonaStateMap.pdf

Additional Documents: Upload additional surveys and any other documents related to cultural resources here:

ArizonaStateMap.pdf

Section II.

Please answer the following:

Biggest Mistake Made: Failure to list all land managers within the project area. Example: Applicant submits trail project and all trails exist within land owned by applicant except for a 1/4 mile section of one of the project trails. A small section crosses over a small parcel owned by ASLD (or Reclamation). If an agreement allowing you to develop/maintain that ASLD-owned parcel exists between your agency and ASLD please attach document directly above (Additional Documents). If no agreement is in place or the agreement has expired please stop working on the application and contact ASPT to discuss issue. Projects must be shovel ready-if you do not have permission from all land managers to conduct work your project is not shovel ready.

Current Land Owner/Manager(s):

-

Project Location, including Township, Range and Section:

-

1) Total project area in acres (or total miles if trail):

-

2) Does the proposed project have the potential to disturb the surface and/or subsurface of the ground?

Yes

3) Project Description and Impacts

a. Please provide a description (what, where, why, and how) of the proposed project, and specifically identify any surface and/or subsurface impacts that are expected.

-

b. Provide measurements for anticipated surface (areal) and subsurface (depth) disturbances that will be part of the proposed project.

-

c. Discuss both direct and indirect impact areas, such as staging areas and access routes that will be used as part of the project.

-

4) Ground Surface Information

a. Describe the condition of the current ground surface within the entire project boundary area (for example, is the ground in a natural undisturbed condition, or has it been bladed, paved, graded, etc.).

-

b. Estimate horizontal and vertical extent of existing disturbance

-

5) Are there any known prehistoric and/or historical archaeological sites in or adjacent to the project area?

Yes

Please indicate where the sites are in respect to the project area. (e.g. The historic site is adjacent to the project area and is roughly 400 feet outside the project area).

-

6) Has the project area been previously surveyed for cultural resources by a qualified archaeologist?

No

Please provide a rationale for survey not being necessary (e.g. previously disturbed).

-

7) Are there any buildings or structures (including mines, bridges, dams, canals, etc.) that are 50 years or older in or adjacent to the project area?

Yes

You must contact Parks staff to receive an Arizona Historic Property Inventory Form. The form will be provided in a Word version. When complete, upload below.

Tenure of Property and Additional Documents

Tenure of Property

The applicant is responsible for operation and maintenance of grant assisted facilities or equipment and retention of land acquisitions according to the Term of Public Use established in the General Provisions. The Term of Public Use must be at least 25 years for equipment over \$50,000 (personal property), 25 years for facilities (real property) and 99 years for acquired land.

The applicant MUST submit documentation to demonstrate the control (i.e., deed, lease, easement, etc.) and tenure (i.e., 25 years, 50 years, etc.) of the land where the project site is located. For a development project, the applicant must include copies of the document which evidences control and tenure of the proposed project site. Evidence of control and tenure can be shown by submitting copies of the required documents listed in either #1 or #2 below.

1) Title or Deed -- If the land proposed for development is owned by the applicant, the following must be submitted with the application:

- copy of the recorded title or deed
- legal description of the deed with an attached map
- updated copy of title insurance for the property or a title opinion

In lieu of title insurance, a "title opinion" of the applicant's legal representative may be submitted. This opinion will certify that the title is vested in the applicant and there are no outstanding liens or encumbrances imposed against the property, which would adversely affect the proposed development.

2) Leases, Easements, Permits, or Special Use Agreements -- Lands not owned by the applicant may be developed with grant assistance if provisions exist in a lease or use agreement. The lease, permit, or special use agreement must adequately safeguard the long-term use of the land for public recreation in perpetuity. AN APPLICATION WILL BE CONSIDERED INELIGIBLE IF A LEASE OR SPECIAL USE AGREEMENT IS NOT INCLUDED IN THE APPLICATION. The following must be submitted with the application:

- copy of the signed lease, easement, permit, or special use agreement.
- map depicting the area(s) existing or proposed for lease, easement, permit, or agreement

*NOTE: For a development project, an applicant must have a minimum of a 25-year lease with at least 20 years remaining at the time an application is submitted. The lease must include the provisions that (1) the lessee has the first right of lease renewal, and (2) the lessor cannot cancel the lease without cause. If the a 25-year lease has at least 20 years remaining, the application must include a letter of intent to exercise the option to renew (page 20). Proposed projects on State Trust Land leases will be considered on a case-by-case basis, however; must comply with the 25-year Term of Public Use.
