**Town of Parker – Western Park Playground Upgrade
Awarded Amount - \$28,000**

LWCF funds will be used to purchase and install new playground equipment in Western Park, which is the most used public playground in La Paz County. The current playground's infrastructure is decades old, has holes in various places, loose joints, missing screws, and has been rated by Burke Playground inspectors as on the verge of unusable for safety reasons. As a playground that sees nearly 40 unique visitors each day on average, it is important to keep the playground in operations for public use, recreation, physical activity and social purposes. LWCF funds will be used to purchase and install new playground equipment.

04-00763 - Arizona State Parks and Trails - 2020-2024 Trails Plan

Awarded Amount - \$102,090

Every 5 years, Arizona State Parks and Trails must complete a non-motorized and motorized trails plan, as per statute. This plan provides priority issues from the perspective of Arizona residents, trail land managers, invested trail users and the public. This information is used to provide land managing agencies, elected decision-makers, stakeholders and citizens with valuable information about participation rates, trail management priorities and informs resource allocation.

04-00762 - Town of Oro Valley - Ballfield Rehabilitation at James D. Krieger Park

Awarded Amount - \$200,000

This project will rehabilitate the ballfields by scraping up existing dirt/grass, repairing existing irrigation lines and installing new lines and emitters as needed. New sod/sprigs will be installed, and the dirt areas replaced. Time-worn fencing will be replaced on two sides, as will damaged kickplates and wires on the backstops. A new restroom (pre-fabricated) will be installed to replace an old metal restroom building. An additional shade ramada will be built near the fields for spectators and other events.

04-00761 - Town of Eager - Ramsey Park ADA Splashpad

Awarded Amount - \$78,216

This project will construct an ADA accessible splash pad at Ramsey Park that can be used by all members of the community. The park has ADA sidewalks, picnic tables and bathrooms, but no activities for disabled people to participate in.

04-00757 - La Paz County - La Paz County Park Riverfront Renovation

Awarded Amount - \$77,510

Funding will be used to renovate approximately 900 yards of riverfront recreation area inside the La Paz County Park along the Colorado River. The existing dirt and gravel riverbank will be graded to a gentle slope from an existing paved river walk to the water line. Six hard surface walkways will be extended from the existing river walk to approximately 2 feet of the high-water mark of the waterway. Eleven streetlights will be installed along the river walk providing evening illumination for the beach and walk ways. This project will upgrade the camping area by adding 50-amp hook ups with be installed to provide power to each of the 32 campsites at the south end of the project area.

04-00754 - Coconino County - Fort Tuthill County Park Infrastructure & Visitor Amenities

Awarded Amount - \$150,620

Grant funds will be used to build permanent, year-round public restrooms with associated infrastructure, and trails at the Fort Tuthill Bike Park. The project will address infrastructure needs and visitor amenities that are lacking in a park identified as a Northern Arizona recreation destination, that currently houses multiple visitor amenities (trails, horse arenas, ramadas, events) and acts as a trail hub connecting the City of Flagstaff with developments to the south, while supporting public-private partnerships that also bring in visitors year-round.

04-00752 - Arizona State Parks and Trails - Dead Horse Ranch Cabin and Restroom Project

Awarded Amount - \$342,500

Funding will be used to purchase and install 4 new cabins at Dead Horse Ranch State Park. Funds will also be used to purchase and construct a new restroom/shower building, which will serve the newly developed cabins.

04-00750 - Pinal County - Peralta Regional Park

Awarded Amount - \$2,051,203

Funds will be used to develop a new regional park. The park plan includes a dynamic range of recreational opportunities for picnickers, non-motorized trail users, rock climbers, night sky users and tent campers. The park's proximity to the Superstition Wilderness and Peralta Trailhead coupled with the nearness of the metropolitan Phoenix area ensure that this park will be a popular destination for many.

04-00749 - Arizona State Parks and Trails - 2021 Boating/Water Craft Survey

Awarded Amount - \$100,000

Every 3 years, Arizona State Parks and Trails, in collaboration with Arizona Game & Fish Department complete a Boating Watercraft Survey which aids in the allocation of state grant and operating funds and aids the agencies in understanding the needs, preferences and experiences of boaters on Arizona rivers and lakes. This information is used to provide land managing agencies, elected decision-makers, stakeholders and citizens with valuable information about the number of boat and person use days that recreational watercraft are used in each county, participation rates, boating and watercraft management priorities and informs resource allocation.

10% 20% 30% 40% 50% 60% 70% 80% 90% 100%

04-00748 - Arizona State Parks and Trails - Red Rock Bridge Reconstruction
Awarded Amount - \$87,500

Arizona State Parks will gather information and data regarding recreation issues and futures, recreation resources, recreation participation, and recreation on trails, open spaces, lakes and rivers. Through the public process, a plan will be developed that will generate potential scenarios, recommendations, and actions regarding the future of outdoor recreation.

04-00743 - Arizona State Parks and Trails - Statewide Comprehensive Outdoor Recreation Plan 2018-2022

Awarded Amount - \$23,500

Arizona State Parks will gather information and data regarding recreation issues and futures, recreation resources, recreation participation, and recreation on trails, open spaces, lakes and rivers. Through the public process, a plan will be developed that will generate potential scenarios, recommendations, and actions regarding the future of outdoor recreation.

**04-00742 - Arizona State Parks and Trails - Lake Havasu State Park Support Facilities
Awarded Amount - \$929,730**

Arizona State Parks will use funding to continue the development of support facilities at Lake Havasu State Park. Funds will be used to construct a new restroom, as well as a new restroom/shower building to service park campsites. Funds will also be used to develop a new restroom/concession building at the north end of the park.

10% 20% 30% 40% 50% 60% 70% 80% 90% 100%

**04-00741 - Arizona State Parks and Trails - Electrify Campsites at Three State Parks
Awarded Amount - \$750,000**

Funding will be used to replace and/or install new power pedestals to provide electrical hookups at existing campsites. Picnic facilities will also be constructed as part of this project. Work will take place at Lost Dutchman State Park, Catalina State Park, and Buckskin Mountain State Park.

10% 20% 30% 40% 50% 60% 70% 80% 90% 100%

04-00740 - Arizona State Parks and Trails - Lake Havasu State Park Boat Ramp at Windsor Beach

Awarded Amount - \$1,473,478

Funding will be used to design and construct a new boat ramp at Lake Havasu State Park. Funding will also be used to develop additional parking, and support facilities to accommodate increased boating activity within the park.
